MEMORANDUM FOR THE CHIEF OF STAFF

Mr. Clements' memorandum of 9 May (BYE 66079-73) asks that Air Force U-2R aircraft be identified for loan to the Navy, and that the impact of the loan be defined. Would you please have the Air Staff prepare an answer for my signature. I have asked Colonel Bailey to assist as necessary.

I would also like you to go beyond the U-2R problem posed by Mr. Clements and review the utilization of the total U-2 fleet, including the C models.
